

## Terms of Use

*SmartGrain* is provided as a freeware under the following terms and conditions:

1. The software may not be transferred or sublicensed to any third party, in whole, in part, or in any form.
2. The recipient shall notify the developer for any changes, modifications or improvements in the software.
3. The NIAS and the developer shall not be liable for any general, incidental, or consequential damages that may arise out of the use of the software such as loss of data, failure of the program to operate, data being rendered inaccurate, or any related problems.
4. For oral or written publications of results using the software, the recipient shall refer to the NIAS as the developer and cite the following reference:

Takanari Tanabata, Taeko Shibaya, Kiyosumi Hori, Kaworu Ebana, and Masahiro Yano, "*SmartGrain*: High-throughput phenotyping software for measuring seed shape through image analysis", ***Plant Physiology***, doi: <http://dx.doi.org/10.1104/pp.112.205120>
